

# NORTHEAST TRI COUNTY HEALTH DISTRICT

FERRY • PEND OREILLE • STEVENS

EDMUND W. GRAY, M.D. • HEALTH OFFICER

CAROL J. VILLERS • ADMINISTRATOR

November 10, 2009

Northeast Tri County Health District is currently doing a survey through your school to find out how many parents would like their children to receive the H1N1 (swine) flu vaccine.

If you are interested in having your child immunized, please complete this form and return it to your school.

Northeast Tri County Health District has a limited supply of vaccine, however we are trying to determine the current need. This vaccine has also been available in a limited supply in health care provider offices. We know that some children are already immunized.

Northeast Tri County Health District will work with your school and health care providers to try and get all children immunized who are interested.

**This is not a consent form.** This is only a survey to identify children whose parents want them immunized.
